1. Parties

This MoU is executed between BSS NDT PVT LTD, Angamaly and (Hereafter referred to as I party) having its registered office at Alan Tower 1st floor, Opposite Josh mall, Mookkannoor, Angamaly, PIN 683577, Kerala, India which means and includes its successors and assigns represented by the Managing Director and Department of Mechanical Engineering at Federal Institute of Science And Technology (FISAT), Hormis Nagar, Mookkannoor, Angamaly, Ernakulam, PIN 683577, (Hereinafter referred to as II party or FISAT) which term shall wherever the context so permits, means and includes its successors and assigns represented by the Principal:

Whereas BSS NDT PVT LTD and FISAT shall be hereafter jointly referred to as the "Parties" and singularly as a "PARTY".

The party I, BSS NDT PVT LTD is one of the well-known reputed NDT training and services company was established in the year of 2014 at Mookkannoor P.O., Angamaly, Kerala, India. This organization was established with a clear vision to provide world class training, examination and consultancy services in the field of Non-Destructive testing. BSS NDT is an ISO 9001:2015 Certified company & ASNT 9712 – 1st Approved Training Centre in Kerala. BSS NDT has also achieved international skill development awards like the IEA-2019 award and the IESA-2020 award.

Whereas, II party, is a premier autonomous, private self-financing professional college in Kerala that was established in the year 2002 under the aegis of Federal Bank Officers' Association Educational Society, an initiative of Federal Bank Officers' Association. The college is approved by All India Council for Technical Education (AICTE), accredited by NAAC with A+ Grade, ISO 9001-2015 certified and affiliated to APJ Abdul Kalam Technological University and the department of Mechanical Engineering is NBA accredited.

Both the Parties have agreed to establish an industry-academic collaboration in areas of mutual interest and in accordance with the terms and conditions set forth in this Memorandum of Understanding (MoU).

OBJECTIVES:

The purpose of this MoU is to establish a framework for collaboration between FISAT and BSS NDT PVT LTD. The main objectives of this MOU are

- **To promote academic-industry collaboration** for mutual benefit in the fields of Advanced Non-Destructive Testing
- **To facilitate industrial training, internships, and project work** for undergraduate and postgraduate students of II party at I party.
- **To collaborate on research and development** activities in areas of mutual interest, including sustainable manufacturing, precision engineering, and advanced Testing.
- **To enable knowledge exchange and skill development** through expert talks, workshops/short-term training programs conducted jointly by both parties.
- **To support faculty & student development** and industrial exposure by providing opportunities for industrial visits, collaborative training programs.
- **To identify and address industry-relevant problems** through student and faculty-driven projects in coordination with BSS NDT technical teams.

ROLES AND RESPONSIBILITIES

I Party

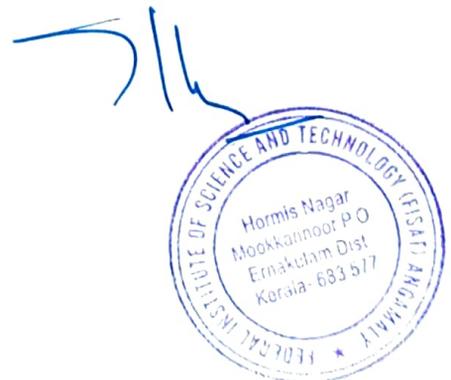

- I Party shall facilitate industrial visits and internships for the students of the Second Party at its facilities, in accordance with mutually agreed norms and schedules.

- I Party may also provide training programs and placement assistance in India and abroad, subject to the successful completion of the required course(s) and fulfilment of eligibility criteria as prescribed by the First Party.
- Access for students of II party to the facilities on request as per mutually agreeable norms.
- Opportunity for students to do their final year project at the facility of I Party based on mutually acceptable guidelines.
- Internship/Apprenticeship opportunities for students of II party and I party has the right to monitor the versatility of the students by conducting screening among them before providing any opportunities.
- The I party shall provide resource persons from Industry for expert talks at II party.
- The I party shall collaborate with II party for research and development activities which is proposed by both the parties for the exclusive requirements of the client as per mutually agreeable terms.

II Party

- Research and Consultancy services, including technical advice & assistance in various engineering disciplines by the expert faculty members of II party on request according to mutually agreeable terms.
- Nominate faculty coordinators to manage the implementation of this MoU.
- Sharing of expertise and organizing events in areas of expertise according to mutually agreeable terms.
- II party agrees to ensure discipline and proper conduct of its students who attend the training/ lab visits/internships/ final year projects at the facility of I party.

EFFECTIVE DATE AND DURATION OF MOU:

- a) This MoU shall be effective from the date of execution of this MoU.
- b) The duration of the MoU shall be for a period of Five years from the execution of this MoU.
- c) During its tenure, the MoU may be extended or terminated by a prior notice of not less than three months by either party.

However, termination of the MoU will not in any manner affect the interests of the students who have been admitted to pursue a programme envisaged by this MoU.

AMENDMENTS:

Any clause or article of this MoU may be modified or amended by mutual agreement of both parties. Any such amendment shall be in writing and signed by both parties and shall only after such execution be deemed to form part of this MoU.

CONFIDENTIALITY:

- a) During the tenure of this MoU both parties will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MoU for any purpose other than in accordance with this MoU.
- b) Both parties shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this MoU.

c) Both parties shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

d) Confidential information' shall mean any proprietary information, data or facts belonging to both parties collectively or severally, disclosed by the disclosing party under this MoU or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussions.

However confidential information shall not include any data or information which:

- (i) is or becomes publicly available through no fault of the receiving party;
- (ii) is already in the rightful possession of the receiving party prior to its receipt of such data or information;
- (iii) is rightfully obtained by the receiving party from a third party or is in the public domain;

RESOLUTION OF DISPUTES:

a) This MoU shall take effect and be construed in accordance with the Laws of India and be subject to the jurisdiction of the Courts at Ernakulam alone.

b) The dispute or difference arising between parties herein in relation to or in connection with this MoU shall first be tried to be resolved amicably between themselves, failing which the matter shall be referred to Managing Director (BSS NDT). His decisions shall be final and binding to both parties.

c) Neither party shall assign any of its rights and benefits under this MoU to any other person without the prior consent in writing of the other.

The Second Party shall **not enter into or sign any Memorandum of Understanding (MoU)** or agreement with any **competitor or competitive organization** of the First Party during the term of this agreement, in order to avoid any conflict of interest.
