CALL OF PAPERS

The General themes and sub themes of papers but not limited to are :

- High Performance Computing
- Human Centric High-Performance Computing
- Parallel algorithms
- Neural Networks
- Intelligent Systems
- Machine Vision
- Security in Computing
- Natural Language Processing
- Data Mining
- Computer Vision
- Robotics
- Geographic Information Systems
- Video Analysis
- Medical Diagnosis
- Privacy
- Surveillance
- Biometrics
- Internet Security
- Image Processing
- Image and Video Compression
- Image Restoration
- Pattern Recognition
- Object Detection
- Object Categorization
- Big Data and Social networks
- Architectures
- Management
- e-Business Ontologies and Models

ADVANCED COMPUTING AND COMMUNICATION TECHNOLOGIES FOR HIGH PERFORMANCE APPLICATIONS
(ACCTHPA - 2023)

January 20 - 21, 2023

Organized by
Dept. of Computer Science & Engineering

FISAT®
Focus on Excellence

FEDERAL INSTITUTE OF SCIENCE AND TECHNOLOGY

Hormis Nagar, Mookkannoor, Angamaly, Kerala 683577

ABOUT THE CONFERENCE

ACCTHPA 2023, the sixth International Conference on "Advanced Computing and Communication Technologies for High Performance Applications (ACCTHPA)" is a prime conference which intends to provide a forum that brings together the researchers from academia and industry to convene and swap over the ideas and recent research work on the High Performance Applications. It is scheduled on January 20-21, 2023 at Federal Institute of Science And Technology (FISAT), Cochin, Kerala, India, ACCTHPA is the sixth edition of this conference.

ABOUT INSTITUTION

The Federal Institute of Science and Technology (FISAT) is a self-financing private engineering college established and promoted by the Federal Bank Officers' Association Educational Society (FBOAES). The FBOAES is an initiative of the Federal Bank Officers' Association (FBOA), the sole representative body of all Federal Bank officers. Federal Institute of Science and Technology (FISAT) occupies a unique position in South India's Professional Education Sector. FISAT has been designed and developed to become a "Centre of Excellence" in professional education, with the motto "Focus on Excellence." Established in 2002, the college has carved a niche for itself in the education sector, as evidenced by its students' outstanding performance in academics, placements, and extra-curricular and co-curricular activities. FISAT has launched an ambitious plan to improve the quality and value of education while also developing high-quality individuals. The institution is accredited by the National Assessment and Accreditation Council (NAAC) with an 'A' grade. The National Board of Accreditation (NBA) has accredited five B.Tech programmes. The institution is also ISO 9001:2015 certified. FISAT is located in Mookannoor, near Angamaly in Ernakulam District, Kerala, the birthplace of Late K P Hormis, Founder, The Federal Bank Ltd. and the campus is named 'Hormis Nagar' in his honour. FISAT is affiliated with APJ Abdul Kalam Technological University (KTU) and is approved by the All India Council for Technical Education (AICTE), New Delhi. FISAT offers seven B.Tech programmes, an MBA programme (with specialisations in Finance, Marketing, Human Resource Management, Information System, Production & Operations Management, and International Business), an MCA programme, five M.Tech programmes and Ph.D. programme
