Inter-Departmental Mathematics Quiz Competition for P. V. Mathew Memorial Ever Rolling Trophy on 19th October 2023

Dear Sir/Madam

Maths Club FISAT, Department of Science and Humanities is conducting Inter-Departmental Mathematics Quiz Competition for P.V.Mathew Memorial Ever Rolling Trophy on 19th October 2023.

P. V. Mathew was the General Secretary of the Federal Bank Officers' Association (FBOA) from 1987 to 2013. As an initiative of FBOA, a charitable society called Federal Bank Officer's Association Educational Society (FBOAES) was founded in the year 2000, under his initiative, in order to promote professional education in the state. P. V. Mathew was the first secretary of FBOAES. Federal Institute of Science And Technology (FISAT) was started by FBOAES in the year 2002 and P. V. Mathew was selected as chairman of the first governing body of FISAT. Thereafter, he served as chairman of the subsequent governing bodies upto 2013 till he retired from Federal Bank. Contributions of P. V. Mathew, as the Founder Chairman, were seminal and commentable for the spectacular growth and development of FISAT.
