COSPHI '25

NATIONAL LEVEL TECH FEST

MARCH 14TH & 15TH 2025

Energy Audit Cell aims to instil in students a sense of responsible and efficient usage of energy and to help them achieve practical knowledge to carry out energy audit and implement good energy management practices.

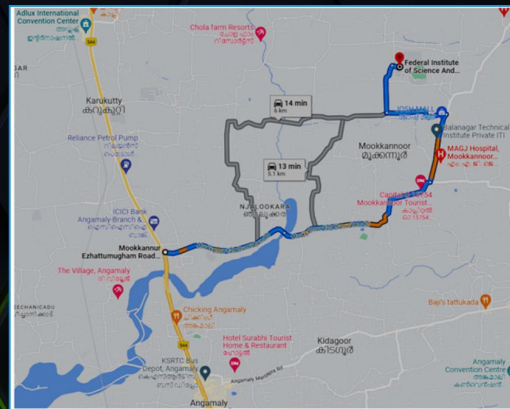

The mission of the cell is to equip and develop competency to carry out the energy audit in domestic buildings, commercial buildings and campuses to identify the wastage of energy and minimize the procurement of energy.

Federal Institute of Science And Technology

Federal Institute of Science And Technology (FISAT) has a unique position in the professional education sector in south India. With the motto "Focus on Excellence", FISAT has been designed and developed to become a Centre of Excellence in professional education. Established in the year 2002, the college has carved a niche for itself in education world, eloquently demonstrated by the flying colors attained by its students in academics, placements as well as extra curricular and co curricular activities.

Department of Electrical and Electronics Engineering

The Department of Electrical and Electronics Engineering was started in 2002 with a primary objective to offer value added educational experience through quality instruction that prepares graduates for a range of career opportunities in today's world. The department prepares the students to meet the demands of professionals, globally competent and morally upright, in the field of Electrical and Electronics Engineering, contributing to nation building and progress of humanity.
